Guided by Enduring Values

- Integrity: We do things the right way, without compromise. We are direct, decisive and, above all, accountable. We practice sound judgment and common sense in our actions. We have a strong culture of compliance, where adhering to all applicable laws, rules and regulations is paramount. We win on the merits, with integrity.

- Winning: We are here to win. We are constantly improving and are committed to out-thinking and out-executing our competitors. We take on what others dismiss as impossible and solve the hard problems that others walk away from. This is why we hire the best.

- Meritocracy: We empower and reward team members who deliver results. We create opportunities by consistently making career and compensation decisions on the merits, recognizing that doing so attracts and retains the best and brightest.

- Learning: We are driven by a thirst for knowledge. We are constantly learning—from each other and from inspired thinkers around the world. We passionately pursue new ideas, new innovations and new strategies that will strengthen our competitive advantage.

- Extraordinary Colleagues: We hire extraordinary people. We build extraordinary teams. We demand a culture of collaboration where we learn from each other, inspire one another and share in our successes. We achieve far more together than we ever could on our own.
