Internship Profile

Job Title:	Math Content Creation Intern
Job Description:	Our mission - To prepare kids for the International Mathematical Olympiad (IMO).

Job Description :

We are seeking a motivated and creative Maths Content Creator Intern to join our team. In this role, you will assist in developing educational materials for students ranging from 4th grade through advanced levels, including JEE (Joint Entrance Examination) and IMO (International Mathematical Olympiad). The ideal candidate will have a strong foundation in mathematics, excellent communication skills, and a passion for education.

What You'll do:

Content Development: Create engaging and accurate maths content for a range of grade levels, including practice problems, explanations, and instructional materials.

Curriculum Design: Assist in designing curriculum materials and lesson plans that align with educational standards and exam requirements.

Content Review: Review and edit existing content to ensure clarity, accuracy, and appropriateness for the target audience.

Research: Conduct research to stay updated on the latest educational trends, teaching methods, and examination patterns.

Skills & Qualifications:

Education: Pursuing or complete degree in Mathematics, Education, Engineering, or a related field.

Knowledge: Strong understanding of mathematical concepts from basic arithmetic to advanced topics required for JEE and IMO.

Skills: Excellent written and verbal communication skills. Ability to explain complex concepts in a clear and accessible manner.

Experience: Previous experience in educational content creation or tutoring is a plus, but not required.

What We Offer:

Flexible Work Environment: Remote/On-site

Professional Development: Opportunities for growth and advancement.

Collaborative Team: A supportive and dynamic team environment.

Schedule/ Work Timings: 10a.m. – 7 p.m. (Flexible) 6 days working.

Location:

IRIS Tech Tower, 305-C, Sector 48, Gurugram, Haryana 122018, India / Remote
