Internship Profile

Job Title:	Founder's Staff Intern
Job Description:	This role gives you an opportunity to be a part of the team that directly works with the founders in helping them build and grow the company. You will play an important part in helping us develop and launch new products, iterate to get to product-market fit, build strategic partnerships, and establish critical business opportunities. This is an exciting opportunity for someone who is looking for exponential growth, fast learning, and a chance to lead by example in a thriving startup environment. Key highlights: Essentially, this role doesn't come with a specific set of responsibilities. As a candidate seeking growth and momentum, the team expects you to champion a "go the extra mile" attitude to tie all loose ends. You essentially need to be a nazi for efficiency and utmost productivity. Manage the schedule of the Founders or the core team and be involved in meetings with the founders, take notes, and briefs Work with the founders and core team on critical projects that are essential for the growth of the business Should be able to find ways to reach out to relevant audiences and schedule meetings with them for potential collaborations. Work with teams to ensure consistent communication is disseminated through speaker opportunities, events, social media presence, etc. Find a way to execute any last-minute tasks as per the deadline.
