Internship Profile

Job Title:	Intern
Job Description:	The TCF Summer Internship Program is an 8-week long internship program for students who want to acquire work experience and kick-start their careers in the social sector. In this immersive program, you'll get a chance to work on a specific developmental challenge while receiving world-class training, career development, mentorship, and the opportunity to meet awesome people. The portfolio organisations are run by senior leaders who have previously held key leadership positions at established institutions across sectors, such as Airtel, Whirlpool, Bharti Foundation, Bill and Melinda Gates Foundation, Ashoka University, and Dasra. As part of the internship program, you will have the opportunity to shadow and work with experienced professionals from various domains. You will also have the chance to attend internal and external meetings, presentations, speak with various stakeholders, and networking events. We are looking for dynamic and energetic interns who are eager to start their career journey in the development sector by working at one of our foundations in a cross-functional role. You will be working closely with our team to conduct research, capture data, design and implement programs, come up with innovative solutions, and make presentations to senior leaders. To be successful as an intern, you should be willing to roll up your sleeves and get the job done, have a learning mindset, and be enthusiastic about the job. You will be involved in current and upcoming projects, which will

involve undertaking functions such as project design and implementation, policy and research, and data collection and synthesis.

If you are excited by:

Problem-solving in some of the most complex areas in the social sector

A rich, diverse and challenging work environment

Performing research and analysis in support of operations

Full responsibility of a purposeful project in a specific team and function

Presenting your work to a range of audiences and receiving evaluation and feedback at the end of your stint

Taking on diverse operational tasks to ensure organisational success

...join us to start your career and be a part of the TCF Summer Internship Program!

Who we are looking for:

A final year, or recently graduated, undergraduate/postgraduate

Excellent verbal and written communication skills

Ability to take initiative, develop solutions quickly and effectively, and multitask

Broad and strategic mindset and creative aptitude

Ability to adapt and exhibit confidence in a highly evolving, agile, and fast paced work environment
