Internship Profile

Job Title:	Business Team Intern (Pravritti 2025)
Job Description:	Urban Company is a tech-enabled home services marketplace. Customers use our platform to book services, such as beauty treatments, haircuts, massage therapy, cleaning, plumbing, carpentry, appliance repair, painting, which are delivered in the comfort of their home and at a time of their choosing. We promise our customers a high quality, standardized and reliable service experience. To fulfill this promise, we work closely with our hand-picked service partners, enabling them with technology, training, products, tools, financing, insurance, and brand, helping them succeed and deliver on this promise. As an Intern in Urban Company, you will be at the forefront of Urban Company's next wave of innovation. Your mission: to identify, design, and scale categories in business that will redefine convenience for our customers and create new avenues of growth for our partners. You will own the entire lifecycle of category development, from market discovery and business modelling to operational rollout and scaling. Imagine yourself as an entrepreneur within the organisation, empowered with the autonomy to shape strategies, build teams, and drive initiatives that deliver measurable impact. You'll dive deep into untapped markets, orchestrate seamless service experiences, and lead a team as passionate about breaking new ground as you are. What You'll Do Lead New Category Creation: From ideation and feasibility analysis to launch and scale-up. Your strategic vision will define the roadmap for new service lines, ensuring they align with Urban Company's mission and growth

align with Urban Company's mission and growth objectives.

Drive Market Exploration: Conduct deep market research to uncover emerging trends, identify unmet customer needs, and evaluate competitive dynamics. Translate insights into actionable strategies for new category launches, positioning Urban Company as a market leader.

Innovate Service Offerings: Conceptualize and design innovative service offerings that differentiate Urban Company in the marketplace. Develop unique value propositions, customer journeys, and pricing models that resonate with target audiences.

Operational Excellence: Independently own and build all aspects of UC's business across your vertical -building the supply chain across selection, training and onboarding of professionals; daily operations; quality of service; user growth and expansion

Collaborate for Success: Collaborate across multiple central teams including functional specialists and business category teams to ensure coherence and other regional teams to share/learn best practices.

Drive Continuous Innovation: Stay ahead of industry trends and embrace a forward-thinking approach to service development. Introduce cutting-edge practices and innovations to keep Urban Company at the forefront of the home services industry.
