Internship Profile

Job Title: Android Developer

Job Description:

About Us

VTION is a leader in mobile technology, dedicated to delivering innovative and high-performance applications. We are seeking a skilled Android Developer to design, develop, and maintain cutting-edge mobile applications that enhance user experience and functionality.

Responsibilities

- Develop and maintain Android applications using Kotlin and Java.
- Collaborate with cross-functional teams to define, design, and ship new features.
- Optimize applications for performance, scalability, and usability.
- Integrate third-party APIs, SDKs, and services as required.
- Work with UI/UX designers to implement intuitive and visually appealing interfaces.
- Conduct code reviews, debugging, and troubleshooting to improve application quality.
- Stay up-to-date with the latest industry trends, tools, and technologies in Android development.
- Ensure the security, data privacy, and compliance of mobile applications.

Required Skills & Qualifications

- Bachelor's/Master's degree in Computer Science, Software Engineering, or a related field.
- Proven experience in Android app development using Kotlin and Java.
- Strong understanding of Android SDK, Jetpack components, and Material Design principles.
- Experience with RESTful APIs, JSON, and third-party integrations.
- Familiarity with MVVM architecture, dependency

injection (Dagger/Hilt), and reactive programming (RxJava/Coroutines).

- Knowledge of version control systems such as Git.
- Experience with CI/CD pipelines and automated testing frameworks.
- Strong problem-solving skills and ability to work independently or in a team environment.

Minimum No. of Hires:	-
Expected No. of Hires:	1
Location(s)/Place of Posting/Online:	Gurugram/Remote
Skillset:	• Experience with Jetpack Compose for UI development. • Familiarity with cloud platforms (Firebase, AWS, or Azure). • Knowledge of mobile security best practices. • Prior experience in publishing apps on Google Play Store.
Students with backlog eligible:	No
