Internship Profile

Job Title:	Software Development Intern
Job Description:	**Job Summary:** We are currently seeking a motivated Software Engineer Intern to join our team for a summer internship placement. This is an exciting opportunity for a student or recent graduate to gain hands-on experience in the tech industry, working alongside our experienced software engineers on real projects and challenges. **Key Responsibilities:** - Collaborate with our software engineering team to develop, test, and debug software applications - Contribute to code reviews and help to maintain high standards of code quality - Assist with system troubleshooting and problem resolution - Participate in Agile Scrum activities such as sprint planning, retrospectives, and daily standups - Apply learned theoretical concepts into practical application **Qualifications:** - Currently enrolled in a Bachelor's or Master's degree program in Computer Science, Software Engineering, or a related field - Basic understanding of programming languages (Python, Java, C++, or JavaScript) - Strong problem-solving skills - Excellent verbal and written communication skills - Ability to work effectively in a team setting

At Writesonic, you won't be doing coffee runs for your internship! Instead, you will be making valuable

internship, thereby, giving you an opportunity to make valuable contributions to our software engineering team, gaining real-world experience that will help you in your future career. Apply today to join our innovative team for the summer.

Minimum No. of Hires:	3
Expected No. of Hires:	3
